POOL CREDIT APPLICATION

Annual Pool Credit Program

Pursuant to its Policy on Water Usage Credits, the North Shore Sanitary District provides for an annual pool credit for non-residential indoor and outdoor pools and for residential indoor pools. Residential outdoor pools are not eligible for this program as such a credit would duplicate credits applied through the summer credit program.

Customer Information

I hereby apply to the North Shore Sanitary District for an annual pool credit to my user charge account pursuant to the District's Annual Pool Credit Program.

I understand that the account is subject to all of the District's ordinances, rules and policies including but not limited to *An Ordinance Relating to Sewers and Sewer Systems*, *An Ordinance Establishing a User Charge System*, the *Ordinance Establishing Fees & Charges* and the *Policy on Water Usage Credits*.

I certify that the following information is accurate. If it is later determined that this information is inaccurate, I understand that I may be fully liable for payment of any credits granted under this program as well as additional fines, penalties and cost recoveries.
